

2020 – GET OUT THE VOTE!!

There are a number of activities we can do to help get out the vote in November. Here are a few ways to make a difference. Please join us!

Educate Yourself

- Everything you need to vote: Check your registration, register to vote, vote by mail: <https://www.vote.org/>.
- Attend workshops and discussion groups at <https://www.showingupforracialjustice.org/>.
- For local Marin information and action go to: <https://surjmarin.org/>.
- The votesaveamerica.com website has a wealth of information about the election process and offers multiple ways to take action.

Take Action

1. Sign up for a Big Send letter-writing party held over Zoom on September 26, sponsored by our UCC Conference. Click here for instructions and to sign up: https://mcusercontent.com/3970aa18c07ad9beea8f17654/files/ec5a9bdd-1b4e-4642-9772-4aa7cb360f8d/Big_Send_Invite.pdf.
2. Send letters to registered voters encouraging them to vote: <https://votefwd.org/indivisible>.
3. Send postcards to voters
 - To send postcards to voters with a focus on the Senate, contact Casey Leones at politicalcasey@gmail.com. They have two campaigns: 1) postcards to voters of color in North Carolina to register those that are not registered and ask registered voters to pledge to vote and volunteer with the NC NAACP, and 2) ask registered voters of color in Arizona to sign up for Arizona's vote by mail system, the Permanent Early Voting List (PEVL).
 - To send postcards to people whose votes have been suppressed, contact Karen Sivak at krspolitical@gmail.com.
 - To send postcards to voters in swing states go to <https://postcardstoswingstates.com/>.
4. Call voters
 - Train to call voters: <https://actionnetwork.org/campaigns/new-volunteer-training-reclaim-our-vote>.
 - There are many phone bank campaigns to join from home, listed at <https://demaction.us/>.
 - Contact Reclaim Our Vote (ROV) at <http://centerforcommonground.org/main/index.php/campaigns/reclaim-our-vote>.
 - You can sign up with them directly to make calls, or for a local connection with Reclaim Our Vote, contact Sister District Marin to make calls to voters of color affected by voter suppression: <https://sisterdistrict.com/volunteer/marin/>.

5. **Share what you're doing to get out the vote.** We know that many of you have already done a lot. Please email Joanne at cccoffice145@gmail.com to share what you're doing, including how many letters/postcards you've sent and/or how many hours you've called, and we can share that information with the congregation. Let's support each other in this important work!

6. *Take Action Nationally*

Contact your members of Congress by going to <https://democracy.io/#/> and ask them to support the John Lewis Voting Rights Act of 2020 which would restore a key provision of the Voting Rights Act.

Thank you!
